

To Whom It May Concern

Over the past nine months, Tina Dulieu has been assisting me in developing my business.

I approached Tina because I saw someone who could see clearly, identify the heart of issues and worked well with people.

Tina has not disappointed. I look forward to our sessions and always expect to go in with concerns but come out with ideas to implement. Her advice is much prized.

I recommend Tina to anyone who values thinking deeply about their business to drive it forward.
